

2nd Annual Charity Cornhole Tournament

May 4th, 12:30PM – 5:30PM

Location: Inn at Kelly's Ford

The purpose of the Annual Charity Cornhole Tournament is to raise funds for our annual project to contribute to the local community. Each January, the Young Professional Advisory Council reviews local non-profits and community projects and decides the focus of our fundraising efforts for the year. In 2018, we supported Substance Abuse Awareness by raising funds for Living the Dream Foundation and Come As You Are. This year the Young Professionals have chosen to focus our efforts on Career Partners, Inc.
