Wild Birds Unlimited has started their bird walks again! Please join us on Wednesday or Saturday mornings at 8:30. We take a leisurely stroll around Yowell Meadow Park and look for birds and other wildlife. It is a free event, and no purchase is necessary. We just want

to connect our community to the beautiful nature that is right here in our adorable little town. Please join us one, two, or every time we walk. It is fun and no birding experience is necessary.

Girls on the run Piedmont is pleased to announce that Kathy Butler, Executive Director and Katie Oleson, Director are now both certified CPR/AED/First Aid instructors. This will help us provide CPR/AED/First Aid training to our volunteers easier and make teams/events even safer for our community. According to the American Heart Association, women are less likely to receive CPR assistance from bystanders, so as a nonprof-

it whose mission is to empower women and girls, we talk through the issues and potential uncomfortable questions regarding rendering assistance to women in a potential emergency event. For information or questions, call 540-296-GOTR or visit our website www.gotripiedmont.org

When MAD Cats reached out to us with a request to help them find a suitable vehicle to continue the many services they provide the community, we knew we HAD to help. They needed a vehicle that could haul 30 or more cats and easy to clean. We found the perfect match in this 2011 Toyota Sienna. Laurie Counts, Mad Cats president, shares with us that the van can carry 32 cats and they are getting personalized plates that say FIXA CAT!

Faye's Office - Emma Ware our Store Manager is celebrating her 5 yr work anniversary. Rachel Rouleau had a birthday on Feb 26.

Koons of Culpeper sponsored the half-court shot contest at the Law Enforcement VS Culpeper School teachers basketball game on March 10, 2023.
